Dear Fellow PSUOG Members,

It is with great pleasure that we announce the winning entry of the PSUOG Hymn-Making Contest, awarded to **Dra. Marivic Urbi-Tuddao of Region 2.**

Winning Entry: PSUOG HYMN

Lyrics: Dra. Marivic Urbi-Tuddao

Music and Composition: Louie Kem Anthony Babaran

Our heartfelt congratulations to the winning team for this meaningful contribution to our Society.

We would also like to extend our sincere gratitude to all our members who participated in this contest, to our esteemed judges who generously shared their time, expertise, and valuable insights, and to all our PSUOG members who contributed to and supported this hymn-making initiative.

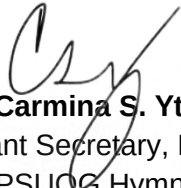

For a long time, our Society has envisioned having a hymn of our own—a hymn that would embody and reflect the mission, vision, and core values of PSUOG, while inspiring unity, pride, and a deeper sense of belonging among our members.

Today, we are grateful to see this vision come to life through the creativity, talent, and passion of our members.

May our new PSUOG Hymn serve as a lasting symbol of our shared commitment to our Society and its ideals, and may it continue to inspire us as we move forward together.

Congratulations to our winner, and thank you to everyone who became part of this meaningful journey!

With sincere appreciation,

Marie Carmina S. Yturalde, MD, MBA-MHM, FPOGS, FPSUOG
