**DATE: March 12, 2020**

**TO: ALL PSUOG MEMBERS**

**SUBJECT: AMENDMENTS TO THE PSUOG BY-LAWS**

Dear Esteemed Members,

It has been 26 years since the Philippine Society of Ultrasound in Obstetrics and Gynecology was established. In those years, the Society has grown and evolved. As such, there is a need to make amendments to the SEC-registered 1994 By-laws to make it more appropriate and responsive to the needs of the Society. This is a priority project of the 2020 Board of Trustees (BOT).

The BOT and other members of the Amendments Committee are now in the process of writing, critiquing and evaluating these amendments. Once finished, it will be presented to the members.

These amendments will be ratified by the members in the PSUOG Midyear Convention in July, 2020. The midyear convention is a special meeting called by the President of PSUOG for the purpose of ratifying the By-Laws.

We will send emails to all members and post the announcements in the PSUOG website regarding details of this special meeting.

Please support this process for the good of the Society and we look forward to your active participation.

Sincerely,

**FLORENTINA A. VILLANUEVA, MD**

Secretary

Philippine Society of Ultrasound in Obstetrics and Gynecology
